

Barb's Embellished Suitcase Class

List of required materials:

1. Small work table, TV tray is fine
2. Small suitcase or other case *that has been prepared by cleaning and painting the outside*, unless you are going to decoupage paper/fabric cutouts or paint directly on the case as it is (do wipe it down, though)
Important note: *For the plastic cases (such as Samsonite), I recommend Krylon Fusion spray paint which is formulated for painting plastic. For cases that are not plastic, regular spray paint is fine, or you can use acrylic paint and brush it on.*
3. An idea in your mind of how you want to decorate your case and appropriate fabric/paper cutouts (or you can paint directly on the case with a brush, in which case you won't need fabric or paper)
4. Newspapers for covering your work area
5. Acrylic paints, brushes, paint pens (not regular Sharpies) , Rags or paper towels various trims or other embellishments you might want to add to your case
6. Container for water for rinsing brushes
7. Large bottle of white glue
8. Rags, sponges, paper towels
9. A paint shirt
