August class will be Wire Wrapping Beach Bits - seashells and seaglass, with Wendy Ryan

Every first Friday

the Aberdeen Art Center is open from 5 to 8 p.m. for an art walk and celebration. Harbor Art Guild offers free first Friday art classes for (first come, first served) participants. Stop by and see

what fun projects these artists are making and join the fun.

First Friday free class flyers are out now. If you took one or some to place, please let Wendy Ryan know where you left them.

Several people have signed up to be instructors. Kris Jenott will reach out with that list and Mary Lou will put it on the website.

April talented Margaret Lemke will teach colored pencils and markers doing a Neurographic Art piece.

May Carmen Herrera will teach a craft class.

June Cara Beth Stevenson will teach kite making.

Grays Harbor Open Studio Tour in June

Today's the day, no foolin'!

And it's looking good so far, with a few stragglers putting us over the top. We will total up the number of artists who have committed to the Grays Harbor Open Studio Tour, for a go/no go headcount.

If it's a go, we will let everyone know by April 10, start the placement of advertising and broadcast media promotion, and prepare for the tour June 21, 22.

Join Harbor Art Guild's monthly Artists Play Day!

Last Friday of the Month, from 2 to 4 o'clock. This is a fun and easy way to raise a little money for the guild, and socialize with fellow members. Both of these are held in the classroom at the Aberdeen Art Center.

Planner Project looks for support

The planner project is a Harbor Arts Guild fundraising project. It will feature a group HAG photo in front of the hand mural on the cover, a list of members and their medium. Expect a spread for each week with a block of text for the artist, art and quote on one side, weekly goal and gratitude list on the other. Last is a monthly vertical layout with the artist quote at the top of the page and their art in the corner lower right side. Tamara D'Andrea is coordinating. Send your images and bio info to her.

Yer editor is back in the saddle, woozy and jet-lagged but present! Brenda and I dodged the cruise ship norovirus outbreaks in the news lately, but didn't get away clean - it seems the tropical cold-crud is even more catchy. Just the same, we enjoyed the time doing mostly a lot of nuthin'. Morning coffee on the veranda, a leisurely buffet lunch and lively dinner conversations with fellow travelers packed our social calendar. But I did do 'sumthin' occasionally...my take above.
